

March 11-12, 2026

East Lansing, MI

**This event is FREE to attend, including a hotel room on the night of March 11!**

Join us for the second Cover Crop Boot Camp! This intensive, two-day workshop will bring together farmers and industry professionals for interactive cover crop education and networking sessions. The Cover Crop Boot Camp will dig deep into cover crop implementation, technology and innovation, and is perfect for farmers that are interested in taking cover crops to the next level.

Space is limited to 50 farmers. Reserve your spot today!

RUP, MAEAP Phase 1, and CCA credits pending

**DATES: March 11 - 12, 2026**

**Location:** MSU Henry Center, East Lansing, MI  
Dinner on March 11, breakfast and lunch on March 12 included.
